MISSION | WHY WE EXIST
McAuley Ministries serves in the spirit of the Gospel as a compassionate and transforming, healing presence. We commit resources and work collaboratively to promote healthy, safe, and vibrant communities.

VALUES | WHAT WE BELIEVE

REVERENCE | We honor the sacredness and dignity of every person.

COMMUNITY TO THOSE WHO ARE POOR | We stand with and serve those who are poor, especially those most vulnerable.

JUSTICE | We foster right relationships to promote the common good, including sustainability of Earth.

STEWARDSHIP | We honor our heritage and hold ourselves accountable for the human, financial, and natural resources entrusted to our care.

INTEGRITY | We are faithful to who we say we are.

COMMUNITY | We demonstrate our connectedness to each other through inclusive and compassionate relationships.

COURAGE | We dare to take the risks our faith demands of us.

VISION | WHAT WE ASPIRE TO BE
McAuley Ministries will be known as a good neighbor whose support has contributed to neighborhoods that are safe, vibrant, and celebrated, and where residents are healthy and enabled to reach their full potential.

**STORIES OF HOPE | NAZARETH HOUSING**

D. is 64 and retired, with income from Social Security and a VA pension. She lives in a Hill District row house she purchased new in 1992. She spends much time at her mother’s home nearby, providing personal and housekeeping care, and helping her son, his wife, and their two young children. D. requested our help replacing all six of her windows, and installing supports for her window air conditioners to provide relief from summer heat in her small, poorly ventilated home. Outside, the rear concrete steps, patio, and retaining wall were badly deteriorated and dangerous. We replaced the steps, patio, and wall; we stalled a chain link fence to enhance safety. D.’s home is now comfortable in hot and cold weather, and she can enjoy her patio and allow her grandchildren to play safely in her backyard.
STORIES OF HOPE | THELMA LOVETTE YMCA

We know how tough it can be for members of our community to stay engaged in activities that improve their overall spirit, mind, and body. Many families are struggling with financial hardships and also find it tough to make time to solely focus on their well-being. Recently, renewing the second year of her subsidized family membership, M., a single mother of three, expressed her gratitude to being afforded another 12 months of subsidized membership to keep her motivated to improve her lifestyle.

Prior to joining the Y, M. experienced major depression, was having trouble making ends meet, and had a difficult time finding consistent and affordable care for her children so she could make time for self-care. Through a conversation with her neighbor who is also a recipient of the McAuley Ministries grant, M. decided to look into joining the Thelma Lovette YMCA. To her surprise, she was eligible to receive a subsidized family membership, which enabled her to receive three complimentary sessions with a trainer and take unlimited, value-added group exercise classes, all while providing her kids a space to be nurtured to thrive through our Child Watch program. After her first year as a member, M. lost 30 pounds, while gaining confidence and an entire support network that keeps her consistently coming back.
